HOW DO YOU BUY?

You must sign up to buy! An auction number is permanently assigned to you at the sign-in table. This number is good at all livestock auctions offered by the Stark County Junior Fair Program.

Sales sheets are available at ringside and the sign-in table at each auction. As each animal is led into the ring, the auctioneer will ask for bids either in cents per pound or for the whole animal (depending on the species). If you wish to buy, raise your hand with your number.

When the bidding is over and you have the highest bid the animal is yours. Immediately following or during the sale, all buyers must report to the sale table to pay for their purchase. Cash, personal or business check, Visa, MasterCard, and Discover are accepted.

THE ADVERTISING ONLY/BUY BACK PROGRAM

The advertising only program gives you the buyer an opportunity to support the Jr. Fair, FFA, and/or 4-H programs without having to take possession of a market animal. This program is designed to make it as simple as possible for the buyer.

At the auction the buyer is required to pay only the difference between the fair market value of the animal and the bid price.

The fair market value of each animal is determined during the week of the fair and prior to the auction by qualified livestock buyers and traders. This market value reflects the actual price that could be expected at a local auction or trade center. Animals purchased through this program will then be resold at the fair market price to a prearranged livestock dealer who assumes all responsibility for the animal.

The example below outlines the process:

- 1) At the auction a buyer bids \$.85 per pound for a 1200 pound steer or \$1,020.00. This is the amount the young seller will receive.
- 2) The predetermined fair market value of this animal is \$.60 per pound or \$720.00
- 3) The difference, \$300.00 is the price the bidder will pay. This amount can be considered an advertising expense. The rest is paid by the livestock dealer.

**DON'T MISS THE OPPORTUNITY TO PARTICIPATE IN THE
ADVERTISING ONLY PROGRAM.
